**To Promote the Espirit de Corps and Fraternity of the Signal Corps**

The 136th National Guard Association of the United States (NGAUS) General Conference and Exhibition will be held on Aug 22-25, 2014 in Chicago, Illinois. NGAUS is the nation’s oldest military association. Military Officers formed the organization in 1878 to obtain better equipment and training by educating Congress on militia requirements. Today with a membership of nearly 45,000 Army and Air National Guard officers, NGAUS continues the mission in support of 470,000 current National Guard men and women, as well as their families, employers, and all Guard retired retirees.

Membership is open to all those who hold or have held a warrant or commission in the Guard. Associate membership programs are available to enlisted personnel, family members and other Guard supporters and Corporations. NGAUS conventions provide an opportunity to hear - and in many cases meet - Elected officials, senior military leaders, and industrial representatives.

Many of these folks will be there to get unvarnished feedback from attendees. The convention is a great time and place to obtain timely information on the status of budget talks and the future of our armed forces, especially the National Guard. It gives officers a forum to exchange views and new ideas, a time to connect with our peers from across the nation and enjoy the camaraderie of fellow Guardsmen and Women. Current membership figures from NGAUS list 16 states with 100% of eligible officers as members. New York ranks 45th with only 29% of eligible officers supporting the organization. The Enlisted Association (EANGUS) has a similar organization and mission as NGAUS. Membership in EANGUS is open to all enlisted soldiers and air personnel in the Guard. EANGUS and NGAUS are proven, effective organizations working for our benefit at the State and National level and deserve our full Support.
