

Security Systems by Hammond, Inc. the Hudson Valley's leading Security Alarm Company is looking for Security Systems Installers. We have our eyes focused on military men and women who hold the 25 Series MOS's or similar. Prior Service, National Guard and Reserve are all welcome. The security alarm industry is growing faster than we can train installers to meet the demand, and we recognize the value of military trained personnel.

If you know of any man or woman who is looking for a great career, please contact our office:

We offer great pay and benefits, and support the training schedules of National Guard and Reserve Soldiers.
